INSTRUCTIONS

for filling separate annex to row 12 of part I.

Separate annex to row 12 of part I. is completed for each related person (section 23 subsection 7 letter a) and b) of the Act on Income Taxes) separately, if there were realized transactions with a related person and met the below mentioned conditions during the taxable period or the period for which the tax return is filed.

Summary of transactions with related persons shall be filled by a taxpayer who meets at least one of the following criteria:

- a) total assets of more than 40 mil. CZK. By assets it is meant the total assets determined from the balance sheet pursuant to section 1d subsection 1 of the Accounting Act, or
- b) annual net turnover of more than 80 mil. CZK calculated according to section 1d subsection 2 of the Accounting Act, or
- c) average number of employees over 50, by which it is meant the figure specified according to partial instructions at row 2 of the Table K of Tax Returns, provided that:
 1. the taxpayer realized transactions with a related person located abroad. The taxpayer fills this annex only with respect to these foreign related persons, or
 2. the taxpayer reported a tax loss stated on row 200 of Tax Returns, and at the same time the taxpayer realized transactions with a related person, either foreign and/or domestic one. The annex is filled in relation to all related persons, or
 3. the taxpayer is a recipient of an investment incentive in the form of tax relief in accordance with the Act no. 72/2000 Coll., on investment incentives, as amended, and simultaneously realized a transaction with a related person, either foreign and/or domestic one. The annex is filled in relation to all related persons.

The obligation to fill in a separate annex to row 12 of part I. does not apply to taxable entities defined in section 11 subsection 2 letter b) to g) of the Act no. 456/2011 Coll., on the Financial Administration of the Czech Republic, as amended, and to permanent establishments of non-residents.

Row 01 Name of related person – state the the business (trade) name of the legal person as entered into the Commercial Register including the supplement indicating its legal form, possibly even „in liquidation”. For a legal person that does not require entering into the Commercial Register, fill in the name under which it was found and established and for other subjects, the name by which they represent themselves to others. If the space provided for item 01 in the pre-printed form is not sufficient for writing the complete company name or name of the tax payer, only its shortened version is filled in and then on a separate piece of paper, the whole company name or taxpayer's name is written. If the related person is an individual, state the current name and surname, including acquired scientific and academic titles.

Row 02 Identification number of the related person – state the identification number (identifier for tax purposes – TIN) of the related person, if it has been assigned.

Row 03 Place of business – country of the related person and country code is filled according to the Czech Statistical Office Information dated 18 May 2012 on the countries codebook update (CZEM) by ISO 3166-1. The relevant code (Alpha-2) can be found at: –(czem) (.xls).
